Today I am employed as:

Other things I've done:

My special interests include:

Queen of Peace seeks the involvement of persons through our Development Process whereby we focus on the vision and future of our Catholic school.

The Queen of Peace School Development Office may call me for:

- Campaign for Excellence ***leadership and/or financial investment*** in the present and future of our mission to educate.
- Annual Queen of Peace Diamond Auction ***sponsorship and/or a donation***. The auction is our major fundraiser that helps keep tuition costs affordable. The event is a happy gathering of the Queen of Peace community.
- Service on a School Advisory Council committee***. Expertise and personal contacts greatly help the council members serve the needs of the principal and pastor as they administer the parish school.
- Mentoring a current QPS student***. While our class size is approximately 25 students, there are individual children who can greatly benefit from a one-on-one relationship with an attentive adult.

I can be reached at () _____ during the day.

THANK YOU for telling us about yourself.
