

QUEEN OF PEACE  
Catholic School

**W**e are both surprised and excited to be preparing for another school year at Queen of Peace School. There is that element of surprise because the school year is two-thirds over and we have yet another sixth grade class that grew up all too quickly! The excitement is seeing the growth and vitality of every student at the same time we are preparing to welcome a class of eager pre-kindergarteners. The mission of Queen of Peace School is to serve as a ministry of Queen of Peace Parish dedicating ourselves to the spiritual and educational development of the whole child.
